**DETAILED ACTION**

1. This communication is an Election/Restriction Action in response to Application No. 09/996,903, Filed on November 30, 2001.
2. Claims 1-61 are presented for Examination.

***Election/Restrictions***

3. Restriction to one of the following inventions is required under 35 U.S.C. 121:
  - I. Claims 1-19 and 61, drawn to distributed databases and application of databases, classified in class 707, subclass 102 and 104.1.
  - II. Claims 20-60, drawn to providing access to users (Privileged Access), classified in class 707, subclass 9.

Inventions I-II are related as subcombinations disclosed as usable together in a single combination. The subcombinations are distinct from each other if they are shown to be separately usable. In the instant case, invention I has separate utility such as the distributed databases and application of databases to provide service to end users; invention II has separate utility such as providing access to users (Privileged Access) through a network and user identifiers. Each of the two inventions does not require the particulars of the other inventions.

4. Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a request under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(i).

5. Because these inventions are distinct for the reasons given above and have acquired a separate status in the art because of their recognized divergent subject matter, restriction for examination purposes as indicated is proper.

6. Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).

7. A telephone call was made to Mr. Bradley D. Lytle on March 17, 2004 to request an oral election to the above restriction requirement, but did not result in an election being made.
